

SNOW DAYS & EARLY DISMISSAL POLICY

The HK Recreation Department's After School Program will not operate in the event of school cancellations or early dismissals due to weather related events.

In case of a school cancellation, school delay, or early dismissal, the following radio stations will be contacted: 1150AM, 1420AM, 101.3FM, 97.5FM, 1410AM, 960AM, and 1080AM. You may also check the local TV news stations: Channel 3, 4, and 8. You may also call either the HK Recreation Office at 345-8334, your child's school office, or check the Region School District #17 website at www.rsd17.org.

The HK Recreation Department **will not** contact you if school is cancelled, delayed, or if there is an early dismissal.

We strongly suggest that you discuss the possibility of an early dismissal with your child(ren) and develop an alternate plan of action. Please complete the form below and return it to the HK Recreation Department or to the After-School staff.

Thank you,

Jennifer Saglio
Director of Child Care Services

Please sign and return

I have read and understand the Haddam-Killingworth Recreation Department's policy that the After-School Program **does not meet on days when schools are closed or dismissed early due to weather related events**. I understand it is my responsibility to check if there is a cancellation or early dismissal due to weather, and that **I will not be called by the HK Recreation staff**.
