

Specialty Camps

Casablanca's Modeling/Fashion Camp

This camp provides children with a wonderful experience of learning the tips of looking like a model, developing their etiquette skills for any setting, feeling good about themselves, perfecting who they are inside and out, and tapping into their fashion talents. Design your own t-shirt and show it off at the end of the week. Each day will consist of fun-filled activities such as Makeover Monday, T-shirt Tuesday, Wanna Be Famous Wednesday, Time to Say Cheese Thursday and Fashion Show Friday. There will also be a professional shoot with JC photograph. **Please bring a PB free lunch.**

Who: Boys and girls ages 5 - 11
Meets: Monday - Friday
Dates: July 6 - 10
Time: 9:00 - 1:00 PM
Fee: \$110 (non-res. add \$10)
Limit: Min. 6
Location: HKIMS Area TBA
Instructor: John Casablanca's Modeling School Staff

Play-Well STEM & Animal Architects LEGO Camp

Gear up for a full-day LEGO® camp packed with hands-on and minds-on STEM fun! Let your imagination run wild with tens of thousands of LEGO® parts as we design and build leaping dolphins, buzzing beehives, and towering giraffes. Play, create, and learn in a world inspired by the animal kingdom. Design and build as never before and explore your craziest ideas. **Please bring a PB free lunch.**

Who: Boys and girls entering Gr. K - 5
Meets: Monday - Friday
Dates: July 13 - 17
Time: 9:00 - 2:00 PM
Fee: \$222 (non-res. add \$10)
Limit: Max 10
Location: HKIMS Area TBA
Instructor: Play-Well Teknologies Staff

Virtual Chess

We are offering a Chess Class taught by Dr. Ani Deshpande. No knowledge of Chess is required. Dr. Deshpande is a United States Chess Federation Certified Chess Coach and a two-time Wisconsin State Chess Champion. There are a lot of benefits for children who play chess including increased IQ scores, improved problem solving skills, ability to make difficult and strategic decisions independently and a fostering of critical and creative thinking. No chess board needed. Dr. Ani will share his on-line software.

Who: Boys & girls entering Gr. K - 8
Meets: Mondays - Friday
Dates: July 27 - 31
Times: 10:00 - 10:30 AM
Fees: \$50
Instructor: Dr. Ani Deshpande

Gross & Cool Jr. Experiments

Eager scientists will use household products to mix, stir and develop cool experiments that include eggs, oil, water, shaving cream and dish soap. Please bring 100% white cotton t-shirt for marbling. Class is broken down into groups to perform experiments. **Please bring a lunch & snack and notify instructor of any allergies. Safety glasses will be provided during class.**

Who: Boys and girls ages 5 - 12

Dates: August 4 & 5
Time: 1:00 - 5:00 PM
Fee: \$103 (non-res. add \$10)
Location: HKIMS Area TBA
Instructor: CT Computer Education Staff

Jr. Investigator of Science

Interested in science? Are you curious what science experiments are all about? Attend this class with friends or make new friends. Ready for shrinky dinks, crystals, squishy food friends, tie dying, flubber, oobleck, play dough, volcano building and other various experiments. Please notify class of any allergies. Children will be separated into groups to perform experiment. **Please bring a lunch & snack.**

Who: Boys and girls ages 5 - 12
Meets: Thursday & Friday
Dates: August 6 & 7
Time: 1:00 - 5:00 PM
Fee: \$103 (non-res. add \$10)
Location: HKIMS Area TBA
Instructor: CT Computer Education Staff

The State of CT has deemed that camps are essential to opening back up the state. **The HK Recreation Department along with all the Contracted Instructors (Skyhawks, UKI Soccer Camps, Running Rams, etc) will be following the guidelines and protocols issued by the CDC as well as the OEC in order to provide a safe camp experiences.**

Please go to the individual websites for all the protocols each organization will be implementing.
