

CT Travel Advisory

Executive Order 7BBB, effective 6/24/20, states that anyone traveling into CT from a state that has a new daily positive test rate higher than 10 per 100,000 residents or a state with a 10% higher positivity rate over a 7-day rolling average are directed to self-quarantine for a 14 – day period from the time of last contact within the identified state.

For travel advisory and an updated list of states that meet the criteria please visit <https://portal.ct.gov/coronavirus/covid-19-knowledge-base/travel-in-or-out-of-ct>

All campers, participants and staff should abide by Executive Order 7BBB and notify the Haddam-Killingworth Recreation Department if they have recently returned from a state that has met the travel advisory criteria and self-quarantine for a 14 – day period from the time of last contact within the identified state.

Please email the Director of Recreation: robyne@hkrec.com

The term of this policy coincides with the travel advisory or until Executive Order 7BBB expires.
