

HKSC / CJSA Return to Play

Phase 3 Precautions

We must have a COVID waiver signed before any player attends. It can be scanned and emailed or brought in paper form to the field. Work with your coaches on this.

If a player or coach has symptoms COVID-19 they must not attend for at least 14 days. If any player or coach has a positive test, all training sessions will be canceled for that team and any additional team associated with that coach or player for 14 days.

Any players that have traveled to a state on the CT COVID Travel Advisory list must not attend any club activities for 14 days. This list changes weekly and should be checked before coming back to club activities.
